15:10-16:10	<b>Online Seminar via Cisco Webex Meetings</b> After your application, we will let you know how to access the workshop.

This workshop is **for Osaka University Members only.**

**Please join Web of Science and EndNote basic training, if you struggle...**

How can I find important articles?

How should I identify emerging areas of research?

How publications can be nicely organized?

 Clarivate™

## Web of Science – Your First Step to Research Discovery

- Understand what is the Web of Science
- How do you find papers related to your research?
- How do you identify emerging areas of research?
- Use Web of Science to identify potential collaborators and journals to publish in

## EndNote basic

- How to save your publications
- Create and change format (using “Format” Bibliography and Format Paper)

**Please apply at the library's website.**
