What is Mendeley?

Mendeley is a free reference manager that can help you organize your research, collaborate with others online. It helps you simplify your reference management workflow so you can focus on achieving your goals.

With Mendeley Web Importer

- : Directly transfer PDF or bibliographies into Mendeley Reference Manager or Web.

With Mendeley Reference Manager or Mendeley Web

- : Store, organize and search all your references from just one library.
- : Read, highlight and annotate PDFs, and keep all your thoughts across multiple documents in one place.
- : Collaborate with others by sharing references and ideas.

With Mendeley Cite

- : Seamlessly insert references and bibliographies into your Microsoft® Word documents
